To the extent permitted by the applicable state "Lemon Law", you are also required to resort to BBB AUTO LINE before exercising any rights or seeking remedies under the "Lemon Law". If you choose to seek remedies that are not created by the Magnuson-Moss Warranty Act or the applicable state "Lemon Law", you are not required to first use BBB AUTO LINE.

The whole process normally takes 40 days or less. The arbitration decision is not binding on you or Mazda else you accept the decision. For more information about BBB AUTO LINE, including current eligibility standards, please call 1-800-955-5100 or visit the BBB website at www.lemonlaw.bbb.org.

No dealer, or any agent or employee thereof, is authorized to extend or expand this warranty. Mazda or a Mazda Importer/Distributor shall not be liable for any incidental, special, consequential, or exemplary damages, or any service not expressly provided for herein.

Some states do not allow limitations on how long an implied warranty lasts or the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you.

4. Your Responsibilities

Inspect the body sheet metal panels of your Mazda Vehicle frequently and if you detect any stone chips or scratches in the paint or protective coating, touch them up immediately.

In addition, under certain conditions, special care should be taken to protect your Mazda Vehicle from corrosion.

- 1) If you drive on salted roads, or if you drive near the ocean, flush the underbody at least once a month with clean water.
- 2) It is important to keep the drain holes in the lower edges of the body clear.
- 3) If your Mazda Vehicle is damaged due to an accident or any event which may cause damage to the paint, have your Mazda Vehicle repaired as soon as possible.
- 4) If you carry special cargo, such as chemicals, fertilizers, de-icing salt, or other corrosive substances, be sure that such materials are well packaged and sealed.
- 5) If you drive frequently on gravel roads, we recommend that you install stone guards behind each wheel.

5. To Get Warranty Service

You must take your Mazda Vehicle, along with this booklet, to any Mazda Dealer in the United States, Puerto Rico, U.S. Virgin Islands, Guam, Saipan, American Samoa, Canada or Mexico during their normal service hours. If you have any questions or need assistance regarding this warranty, refer to “When You Need to Talk to Mazda” on page 7.

6. Limited Liability

The liability of Mazda under this warranty is limited solely to the repair or replacement of parts defective in material or workmanship by a Mazda Dealer at its place of business. Specifically, it does not include any expense of, or related to, transportation to such a dealer or payment for loss of use of the Mazda Vehicle during warranty repairs.

7. Other Terms

The “Other Terms” stated on page 17 in the New Vehicle Limited Warranty also apply to this warranty.

1. Introduction

The Federal Clean Air Act requires vehicle manufacturers to provide two emissions-related warranties:

- The Federal Emissions Defect Warranty, which covers certain parts of each vehicle's emissions control systems against defects in materials and workmanship, and
- The Federal Emissions Performance Warranty, which covers repairs to certain parts of each vehicle's emission control system *if certain conditions are met* (see Section 5., for those conditions).

These two emission warranties apply to all Mazda Vehicles (including those registered in states requiring California-certified vehicles). They are given in lieu of all other express or implied warranties (except those set forth separately in this booklet) on the part of Mazda, Mazda Importer/Distributor or the Mazda Dealer selling this Mazda Vehicle. No dealer, or any agent or employee thereof, is authorized to extend or expand these warranties.

2. Definitions

- (a) "EPA" means the U.S. Environmental Protection Agency.
- (b) "Owner" means the original and any subsequent owner of a Mazda Vehicle.
- (c) "Mazda Part" means a part sold by a Mazda Dealer, whether new or remanufactured, which is supplied by Mazda.
- (d) "Emission Warranty Part" means a part installed on or in a Mazda Vehicle by or at the direction of Mazda for the sole or primary purpose of reducing the Mazda Vehicle's emissions and that was not in general use prior to model year 1968. The Emission Warranty Parts are listed in Sections 6. and 7.
- (e) "Certified Part" means a replacement part for a Mazda Vehicle certified in accordance with aftermarket part certification regulations issued by the EPA.
- (f) "Written Maintenance Instructions" means those maintenance and operation instructions, together with the time and/or mileage interval at which such maintenance is to be performed, specified in the Owner's Manual for the Mazda Vehicle as being necessary to assure compliance of the Mazda Vehicle with applicable emission standards during the term of this warranty, as specified by law.

3. Exclusions from the Emission Warranties

The following are NOT covered by these Emission Warranties:

- (1) Any incidental, consequential, or exemplary damages (whether in contract or tort), including loss of time, inconvenience, loss of use of the vehicle, cost of transporting it for repair or service, and commercial loss.
- (2) Damage resulting from accidents, misuse, natural disasters, or events beyond the control of Mazda.
- (3) If the vehicle has been classified a total loss and/or sold for salvage purposes or branded for any other reasons.
- (4) Lack of proper maintenance, including repair improperly performed or replacements improperly installed by any person other than a Mazda Dealer, or a replacement part or accessory not conforming to Mazda's specifications.
- (5) Any repair of the vehicle on which the odometer mileage has been altered or on which the actual mileage cannot be readily determined. (When replacing the speedometer, the "Speedometer Replacement Record" on page 6 must be filled in by a Mazda Dealer.)
- (6) Registration of the vehicle out of the U.S., Canadian, or Mexican Markets as identified in the "Warranty Application" for New Vehicle Limited Warranty section of this booklet.

4. Emission Defect Warranty

Mazda warrants to the ultimate purchaser and each subsequent purchaser that this Mazda Vehicle is (A) designed, built, and equipped so as to conform at the time of sale with applicable regulations under Section 202 of the Federal Clean Air Act, and (B) free from defects in materials and workmanship which would cause it to fail to conform with applicable regulations during the warranty periods mentioned herein after. The applicable regulations require that the warranty period is for the first 24 months* or 24,000 miles, whichever comes first. However, Mazda will provide you a coverage of **36 months* or 36,000 miles**, whichever comes first, under the terms of the New Vehicle Limited Warranty. The applicable regulations also require that the warranty period for specific major Emission Warranty Parts listed in Section 7. is for the first **96 months* or 80,000 miles**, whichever comes first.

* The months during which the vehicle has been in operation are counted from the date of first use of the vehicle or the date of its retail delivery, whichever came first.

Any defects in warranted parts that are identified within those warranty periods will be repaired or replaced by Mazda, at its option, with new or remanufactured parts at no cost to the Mazda Vehicle owner by a Mazda Dealer in the U.S.A. The liability of Mazda under this Emission Defect Warranty is solely limited to such repair or replacement.

5. Emission Performance Warranty

Important Notice:

This warranty has been prepared in accordance with certain regulations promulgated by the EPA which provide that a remedy will be available under this warranty only when a vehicle fails an EPA approved emission short test; usually this means when an Owner could be subject to a penalty under state or federal law because of such failure. At the date of the printing of this warranty, some states did not have vehicle inspection programs for testing vehicles for conformity with such short tests and had not enacted laws subjecting vehicle Owners to such penalties. Therefore, it is possible that in some states or local areas no remedy will be available under this warranty as a matter of law.

■ Warranty

Pursuant to Section 207 (b) of the U.S. Clean Air Act, Mazda warrants to each Owner that if:

- (a) The Mazda Vehicle is maintained and operated in compliance with the Written Maintenance Instructions; and
- (b) The Mazda Vehicle fails to conform at any time during the term of this warranty to the applicable emission standards as judged by an emission test approved by the EPA; and
- (c) Such nonconformity results or will result in the Owner having to bear any penalty or other sanction (including the denial of the right to use the Mazda Vehicle) under local, state or Federal law; and
- (d) If such nonconformity results from the failure of an Emission Warranty Part.

Mazda shall remedy the nonconformity at no cost to the Owner in accordance with the following:

- During a period of vehicle operation that does not exceed **24 months* or 24,000 miles**, whichever comes first, if the failed Emission Warranty Part is listed in the 24 months/24,000 miles Emission Warranty Parts List in Section 6.
- During a period of vehicle operation that does not exceed **96 months* or 80,000 miles**, whichever comes first, if the failed Emission Warranty Part is listed in the 96 months/80,000 miles Emission Warranty Parts List in Section 7.

* The months during which the vehicle has been in operation are counted from the date of first use of the vehicle or the date of its retail delivery, whichever came first.

FEDERAL EMISSION CONTROL WARRANTY

■ **Compliance with Written Maintenance Instructions**

Each Owner is required to comply with the Written Maintenance Instructions and a claim under this warranty may be denied on the basis of noncompliance by the Owner with such instructions. **If and when it is considered that the vehicle's non-conformity with the applicable emission standards has resulted from the Owner's non-compliance with those Written Maintenance Instructions which the manufacturer considers necessary for the vehicle to meet the standards, the Owner may be required to submit evidence of such compliance. Receipts and other documents covering the performance of Scheduled Maintenance and proper use in accordance with the Written Maintenance Instructions, including but not limited to the validated Scheduled Maintenance Record in this booklet, should, therefore, be retained by the Owner and should be transferred to each subsequent Owner of the Mazda Vehicle.**

■ **Use of Mazda Parts**

The Mazda Vehicle is designed, built and tested using Mazda Parts so that the Mazda Vehicle is able to perform in conformity with EPA regulations as provided by this warranty. Accordingly, it is recommended that any replacement parts used for maintenance, repair or replacement of the Mazda Vehicle be Mazda Parts, or parts equivalent to those with which the Mazda Vehicle or its engine was originally equipped.

■ **Use of Non-Mazda Parts**

Owners may elect to use parts other than Mazda Parts in the performance of any maintenance or repairs and such use in itself will not invalidate this warranty. However, use of parts other than Mazda, may cause Mazda to deny an emission performance warranty claim on the basis of uncertified replacement parts used in the maintenance or repair of a Mazda Vehicle if the uncertified replacement parts are either defective in material or workmanship or not equivalent, from an emission standpoint, to Mazda Parts.

■ **Repair or Replacement by Mazda Dealer**

Mazda's obligation to remedy nonconformities under this warranty shall be performed by a Mazda Dealer, which shall make all adjustments, repairs or replacements necessary to assure that the Mazda Vehicle complies with applicable emission standards of the EPA and that the Mazda Vehicle will continue to comply during the remainder of the term of this warranty (if proper maintenance and operation are continued).

- **Maintenance by An Establishment or Individual Other Than Mazda**
Maintenance, replacement, or repair of the emission control devices and systems covered by this warranty may be performed by any automotive repair establishment or individual using Certified Parts. However, the Owner should note that service by a person other than a Mazda Dealer may cause Mazda to deny a claim under this warranty, if it is shown that the improper installation or adjustment of any part has caused the Mazda Vehicle to fail the emission test, either directly or by causing another warranted part to fail.

- **Warranty Claim Procedures**

A warranty claim may be submitted by bringing the Mazda Vehicle to any Mazda Dealer during the Dealer's regular business hours, together with a copy of a failed emissions test. Upon presentation of a claim, Mazda shall notify the Owner within 30 days, or a shorter period of time within which repair is required by local, State or Federal law, that the claim will be honored or shall provide the Owner in writing with an explanation of the basis upon which the claim is being denied. Failure to notify the Owner within such a time period, shall cause Mazda to be responsible for repairing the Mazda Vehicle free of charge to the Owner, unless such failure is attributable to the Owner or to events beyond the control of Mazda or the Mazda Dealer.

- **Further Information**

Owners may obtain further information concerning this warranty and may report violations of this warranty by contacting the Environmental Protection Agency Ariel Rios Building (6405J) 1200 Pennsylvania Ave., N.W. Washington, D.C. 20460.

- Catalytic Converter
- Electronic Emission Control Unit
- Onboard Emission Diagnostic Device (Incorporated into Electronic Emission Control Unit)

The California Air Resources Board and Mazda are pleased to explain the emission control system warranty on your Mazda Vehicle. In California, new motor vehicles must be designed, built and equipped to meet the State's stringent anti-smog standards.

Mazda must warrant the emission control system on your Mazda Vehicle for the periods of time listed below, provided there has been no abuse, neglect or improper maintenance of your Mazda Vehicle.

Your emission control system may include parts such as the fuel-injection system, ignition system, catalytic converter, and powertrain control module. Also included may be hoses, belts, connectors, and other emission-related assemblies.

Where a warrantable condition exists, Mazda will repair your Mazda Vehicle at no cost to you including diagnosis, parts, and labor.

Under the authority of Section 177 of the Federal Clean Air Act, some states require that new vehicles registered in their jurisdictions comply with California's emission control system warranty requirements. If your vehicle is registered in such a state, or in California, the warranty provisions set forth in this section apply to it.

1. Mazda's Warranty Coverage

- (a) For **3 years or 50,000 miles** whichever first occurs:(*1)
 - 1) If your Mazda Vehicle fails a California Smog Check inspection, all necessary repairs and adjustments will be made by Mazda to ensure that your Mazda Vehicle passes the inspection. This is your emission control system **PERFORMANCE WARRANTY**.
 - 2) If any emission-related part (listed on page 30) on your Mazda Vehicle is defective, the part will be repaired or replaced by Mazda. This is your short-term emission control system **DEFECTS WARRANTY**.
- (b) For **7 years or 70,000 miles** whichever first occurs:(*1)
 - 1) If an emission-related part listed in this warranty booklet specially noted with coverage for 7 years or 70,000 miles is defective, the part will be repaired or replaced by Mazda. This is your long-term emission control system **DEFECTS WARRANTY**.
- (c) For **15 years or 150,000 miles** whichever first occurs:(*2)
 - 1) **PERFORMANCE WARRANTY** and **DEFECTS WARRANTY** are extended to 15 years or 150,000 miles, whichever comes first, for **Partial Zero Emission Vehicle (PZEV) Emission Warranty**.

(*1) This warranty applies to all California emission equipped Mazda vehicles registered in California, Connecticut, Delaware, Maine, Maryland, Massachusetts, New Jersey, Oregon, Pennsylvania, Rhode Island, Vermont or Washington.

(*2) This warranty applies to all Partial Zero Emission Vehicles (PZEVs) registered in California, Connecticut, Maine, Maryland, Massachusetts, New Jersey, New York, Rhode Island or Vermont.

CALIFORNIA EMISSION CONTROL WARRANTY

2. Owner's Warranty Responsibilities:

As the Mazda Vehicle owner, you are responsible for the performance of the required maintenance listed in your Owner's Manual. Mazda recommends that you retain all receipts covering maintenance on your Mazda Vehicle, but Mazda cannot deny warranty solely for the lack of receipts or for your failure to ensure the performance of all scheduled maintenance.

You are responsible for presenting your Mazda Vehicle to a Mazda Dealer as soon as a problem exists. The warranty repairs should be completed in a reasonable amount of time, not to exceed 30 days.

As the Mazda Vehicle owner, you should also be aware that Mazda may deny warranty coverage if your Mazda Vehicle or a part has failed due to abuse, neglect, improper maintenance, or unapproved modifications.

3. Customer Assistance

If you have any questions regarding your warranty rights and responsibilities, you should contact

**Mazda North American Operations' CUSTOMER ASSISTANCE CENTER
toll free at: (800) 222-5500**

or the California Air Resources Board at 9480 Telstar Avenue Suite 4, El Monte California 91731.

4. Start of Warranty Period

This warranty begins on the date the vehicle is delivered to the ultimate purchaser or on the date the vehicle is first placed in service as a demonstrator, lease or company car, whichever comes first.

5. Repair or Replacement by Mazda Dealer

A Mazda Dealer will repair or replace, at its option, all Warranted Parts which fail during the term of this warranty, and all other components which are damaged during the term of this warranty as a result of such failure, without charge to Owner, using Mazda Parts at its place of business.

The Mazda Dealer shall determine if the repair or replacement is covered by warranty. Repair or replacement shall include diagnosis.

When a Warranted Part is replaced, the newly installed part is warranted for the remaining period of the applicable California Emission Control Warranty.

6. Repair or Replacement by Dealers Other Than Mazda

If, under this warranty a part requires repair or replacement, Owners may choose to have this work performed by any automotive service establishment or individual, rather than at a Mazda Dealer. They may also perform the work themselves using any replacement parts. Such service in and of itself will not invalidate this warranty.

However, Owners should note the following:

- (a) The cost of such service by dealers other than Mazda will not be covered under this warranty except in an “emergency” as set forth below.
- (b) An “emergency” exists when Warranted Parts are not available within 30 days from a Mazda Dealer, when a repair is not completed within 30 days, or when a Mazda Dealer is not reasonably available to perform service under this warranty.
- (c) The cost of such service by dealers other than Mazda in an “emergency” shall be reimbursed to the Owner as follows: as to all Warranted Parts which require repair or replacement under this warranty, the Owner shall be reimbursed for all such replacement parts in an amount not to exceed the retail price suggested for such parts by Mazda North American Operations. As to labor, including diagnostic charge related to the emergency repair, the Owner shall be reimbursed in an amount not to exceed Mazda’s recommended time allowance and geographically appropriate hourly labor rate for the repair or replacement performed under this warranty. **All failed parts and paid invoices must be presented to a Mazda Dealer after repair as a condition of reimbursement for emergency repairs not performed by a Mazda Dealer.**

7. Use of Mazda Parts

The emission control system of the Mazda Vehicle is designed, built and tested using Mazda Parts so that the Mazda Vehicle is certified as being in conformity with the California emission control regulations. **Accordingly, it is recommended that any replacement part used for maintenance, repair, or replacement of emission control systems be Mazda designated parts.**

8. Use of Non-Mazda Parts

Owners may elect to use parts other than Mazda Parts in the performance of any maintenance or repairs and such use in and of itself will not invalidate this warranty.

However, Owners should note the following:

- (a) The cost of non-Mazda designated parts will not be covered under this warranty except in emergency cases.
- (b) Use of replacement parts which are not of equivalent quality to Mazda Parts may impair the effectiveness of emission control systems.
If non-Mazda designated parts are used, the Owner should obtain assurance that such parts are warranted by their manufacturer to be equivalent to Mazda Parts in performance and durability.
- (c) Mazda assumes no liability under this warranty with respect to non-Mazda designated parts except for damage to non-Mazda designated parts by a Mazda Part.
- (d) Use of non-Mazda designated parts resulting in damage to Warranted Parts will invalidate the warranty for these parts.

CALIFORNIA EMISSION CONTROL WARRANTY

34

9. What Is Not Covered by This Warranty:

- (a) Items described as not covered in paragraph 6 (a), 8 (a), 8 (c), and 8 (d).
- (b) Malfunctions in any part caused by misuse, abuse, neglect, modification, alteration, tampering, disconnection, improper or inadequate maintenance, or use of leaded gasoline.
- (c) Damage resulting from accident, acts of nature or other events beyond the control of Mazda.
- (d) If the vehicle has been classified a total loss and/or sold for salvage purposes or branded for any other reasons.
- (e) The repair or replacement of Warranted Parts which are scheduled for replacement within the warranty term provided in Section 1, such as spark plugs and filters. These parts shall be warranted only until the first scheduled time or mileage for replacement.
- (f) Any incidental or consequential damages, such as loss of time, inconvenience, loss of use of the Mazda Vehicle, cost of transporting the Mazda Vehicle to a Mazda Dealer for service, and commercial loss.
- (g) Any repair of a Mazda Vehicle on which the odometer mileage has been altered or on which the actual mileage cannot be readily determined.
(When the Owner replaces the speedometer or has it replaced by a repair facility, then the "Speedometer Replacement Record" on page 6 must be filled in by a Mazda Dealer.)

10. Other Terms

This warranty is given in lieu of all other Express and Implied Warranties (except those set forth separately in this booklet) on the Warranted Parts by Mazda and all other authorized Mazda representatives. Any warranty of merchantability or fitness is hereby disclaimed. No Mazda Dealer, or any agent or employee thereof, is authorized to extend or expand this warranty.

(1) 7 YEARS/70,000 MILES EMISSION CONTROL WARRANTY AND VEHICLE INSPECTION PROGRAM(*1)

If the Mazda Vehicle fails a California Smog Check test, the Owner may take the Mazda Vehicle to a Mazda Dealer for repair.

(*1) This warranty applies to all California emission equipped Mazda vehicles registered in California, Connecticut, Delaware, Maine, Maryland, Massachusetts, New Jersey, Oregon, Pennsylvania, Rhode Island, Vermont or Washington.

- (A) If the Mazda Dealer determines that the Smog Check failure was caused by the failure or malfunction of a part on the list of “7years/70,000miles Emission Defect Warranty Parts List”, then Mazda shall be liable for the expenses of detecting and correcting the part failure or malfunction, unless the Mazda Dealer demonstrates that the Smog Check failure was caused by one or more conditions as provided under Section 9, the “What Is Not Covered” section of this warranty. This section applies to situations after a period of use of 3 years or 50,000 miles, but before a period of use of 7 years or 70,000 miles.
- (B) If the Mazda Dealer demonstrates that the smog check failure was caused by one or more conditions as provided under Section 9, the “What Is Not Covered” section of this Warranty, the Owner shall be liable for all diagnostic and repair expenses.
- (C) If the Mazda Dealer determines that the smog check failure was caused by one or more defects covered under warranty and in combination with one or more conditions as provided under Section 9, the “What Is Not Covered” section of this warranty, then Mazda shall be liable for the diagnostic and repair costs related to detecting and repairing the warrantable defects.

In the alternative, the Owner of a Mazda Vehicle which fails the smog check may choose to have the Mazda Vehicle repaired at another repair facility other than a Mazda Dealer. If a warrantable defect is found, the Owner may deliver the Mazda Vehicle to a Mazda Dealer and have the defect corrected free of charge. Mazda shall not be liable for any expense incurred at a service establishment not authorized to perform warranty repairs, except when an “emergency” situation exists as specified in Section 6 (b), in this warranty.

Mazda will not reimburse the Owner for any emission-related diagnosis or repair by an automotive service establishment or individual other than a Mazda Dealer except when an “emergency” situation exists.

If Mazda or the Mazda Dealer fails to notify the Owner within 30 days that the repair, replacement, or diagnosis is not covered by this performance warranty, unless so requested by the Owner, or due to events beyond the control of Mazda or the Mazda Dealer, Mazda shall be responsible for repairing the Mazda Vehicle free of charge to the Owner.

Maintenance records and receipts should be retained in the event questions arise concerning maintenance, and should be transferred to each subsequent owner.

(*2) This warranty applies to all Partial Zero Emission Vehicles (PZEVs) registered in California, Connecticut, Maine, Maryland, Massachusetts, New Jersey, New York, Rhode Island or Vermont.

11. Definitions

- (a) "Mazda Vehicle" means a 2014 model year Mazda motor vehicle manufactured by or for Mazda in accordance with the laws and regulations of the State of California.
- (b) "Partial Zero Emission Vehicle" (PZEV) is a vehicle which is certified for 150,000 miles SULEV exhaust emission standards, zero evaporative emission standards and OBDII requirements.
Also, all emission-related parts of the PZEV are warranted for 15 years or 150,000 miles, whichever comes first.

The service record below has been designed to include the signature of your Mazda Dealer representative or other repair establishment representative. This signed form is evidence of completion of scheduled maintenance services and should be kept with the receipts, repair orders, and invoices in the glove box. All records should be given to any subsequent owner of the Mazda Vehicle. **Failure to properly maintain your vehicle can result in your warranty being voided either in whole or in part.**

Maintenance Records - Proof of Maintenance

To continue warranty eligibility and to protect your investment, it is your responsibility to properly maintain your vehicle according to factory recommended schedules outlined in your Owner's Manual. As part of this you must keep your maintenance records, receipts, repair orders and any other documents as evidence this maintenance was performed. You must present these documents, should any warranty coverage disagreement occur. Failure to do so can result in your warranty being voided either in whole or in part.

This evidence may consist of the following:

- The Mazda Scheduled Maintenance Record, on page 44, must be completely filled out showing mileage, repair order number, date for each service, and signed by a qualified automotive service technician who service vehicles.
- Original copies of repair orders or other receipts that include the mileage and date the vehicle was serviced. Each receipt should be signed by a qualified automotive service technician.
- For self maintenance, a statement that you completed the maintenance yourself, displaying mileage and the date the work was performed. Also, receipts for the replacement parts (fluid, filters, etc.) indicating the date and mileage must accompany this statement.

Note: If you elect to perform maintenance yourself or have your vehicle serviced at a location other than an Authorized Mazda Dealer, Mazda requires that all fluids, parts and materials must meet Mazda standards for durability and performance as described in your Owner's Manual.
