

INTRODUCING MAZDA CONNECTED SERVICES

Put convenience and peace of mind right at your fingertips with Mazda Connected Services¹ — complimentary for the first three years. Like a personal assistant for your Mazda, it allows you to control many of your connected vehicle's features through the MyMazda app on your mobile device. Your vehicle is also equipped with available in-vehicle Wi-Fi² capabilities and provides access to emergency services like automatic 911³ dialing and roadside assistance.

ENJOY THESE CONNECTED FEATURES WITH YOUR NEW MAZDA:

- Prepare your vehicle from the comfort of your home with remote start and stop
- Lock or unlock your vehicle's doors remotely
- Check vehicle status, such as fuel level, from your phone
- Use the vehicle finder feature to locate your parked vehicle
- Receive alerts when your vehicle needs servicing
- Take advantage of available in-vehicle Wi-Fi² capabilities
- Experience the peace of mind of automatic 911 dialing³

¹ Connected services are subject to change at any time without notice. Mazda Connected Services is provided during a 3-year trial period; annual subscription fees apply thereafter. Use of MyMazda app and compatible phone are required. Connected Services require cellular or Wi-Fi service. Data fees may apply. Never drive while distracted or while using a hand-held device. Please see your Owner's Manual for important feature details and related privacy information.

² For Mazda CX-30 and Mazda3 built before July 2021: Mazda Connect 4G LTE Wi-Fi powered by Verizon is available during 6-month/2GB trial period (whichever comes first); monthly subscription fees apply thereafter. Vehicle cellular connectivity and availability of vehicle GPS signal are required. Certain services may collect location information. Limit one trial per vehicle. Up to 5 devices can be supported using in-vehicle connectivity. Verizon wireless data subscription required upon end of 6-month trial period or use of 2GB data (whichever comes first). Use of Mazda Connect Wi-Fi is subject to Verizon Wireless' Customer Agreement (verizonwireless.com/legal/notices/customer-agreement). For 2021 Mazda CX-5 and CX-9, and Mazda CX-30 and Mazda3 built July 2021 or later: 3-month/2GB wireless data trial provides access to AT&T's wireless data services. Eligible vehicle, compatible SIM card and trial activation by customer required. 3-month period begins at time of trial activation; wireless data service expires when 2GB of data is used or when 3-month period ends, whichever comes first. Hotspot connects up to 5 Wi-Fi capable devices, which use data from your plan. Wi-Fi hotspot functionality not available outside of U.S. & Canada. Service in Canada subject to unaffiliated carrier coverage. Offer, terms and pricing subject to change. Coverage and service not available everywhere. Visit <https://www.att.com/USTermsandconditions> for more information. Never drive while distracted or while using a hand-held device. Please see your Owner's Manual for important feature details and related privacy information.

³ Mobile 911 automatically calls 911 from a paired hands-free device when a moderate to severe collision is detected. Specific phone settings are required. There are limitations to the system. Please see your Owner's Manual for further details.
